POLICY COMMITTEE

ASC Report

May, 2019.

Good afternoon family. I have set up policy page updates on the back counter by the kitchen for anyone who hasn't already received them. I also put each effected page on poster board highlighting where the new language was entered. Please take one of each and replace the old pages in your policy binder. New GSR's, please see me after the meeting if have any questions or concerns about your group's policy binder. I hope that during this round of nominations, somebody steps up to replace me as policy chair. My two years of service for this position are up next month and I'm not serving a second term. However, I will not just leave the commitment unattended. I will stay to train & help my successor until such a time that they feel confident enough to go it alone.

In loving service,

Everett B.

MEETING DAY: 1st Monday of Month LOCATION: MT Salem Church

TIME: 8:30pm

COMMITTEE UPDATE/PROBLEMS: (PLEASE BE CONCISE AND LEGIBLE)

Outreach had 2 members in attendance this month, however we've since added 2 more members. We went through the last 5 months to identify meetings we need to get to. We communicated w/ 2, and I'll have 4 to get to this month. We visited the Turn It Over group b/c they hadn't been attending area. I'm happy to report they're still holding an NA meeting and are present at ASC today.

We reached out to The HOW Group b/c we were unable to attend their meeting in person. They're struggling to keep HG members but I can confirm there is still an NA meeting w/ NALit and an NA message taking place.

Outreach is still in need of support and people willing to be of service. Please reach out to me at the number listed above.

I'm having Service.

MEETING DAY: Sun @ 4:00pm LOCATION: St. Barnabus (big room)

TIME: 4pm

COMMITTEE UPDATE/PROBLEMS: (PLEASE BE CONCISE AND LEGIBLE)

Public Relations was approached by the home group - Recovery In The AM - to bring a presentation to the facility where they hold their meeting - Grace Methodist Church. We have reached out multiple times to that facility and have not received a call back. We are asking if the GSR from that group or some other homegroup member can be a liason between us and them to help bridge the gap in communication so we can get this presentation to the facility.

Also, this committee is still looking for someone to step up or be nominated for this position of Public Relations chair. I will support and help someone learn but I am not running again.

Small Wonder Area Meeting List/Website Subcommittee

May 19, 2019

The meeting list and website was updated in the following ways:

- The Bowties and Barrettes group's location and time was updated to Mondays, Wednesday, and Fridays from 3:30pm-5:00pm at The People's Settlement. An announcement was added to the website to help make our area aware of this.
- The Christmas Group's name was changed to the In the Light Group. An announcement was added to the website to help make our area aware of this.
- The Turn It Over Group was added to meetings that need support
- The Each One Teach One group is no longer wheelchair accessible and their format has been updated to reflect this
- An announcement was added to inform the area that The First State Survivors group will not be meeting on Sunday, May 26 due to an event at the facility where this meeting is held
- Announcements were added to inform the area that both the Meeting List/Website Subcommittee and the Outreach Subcommittee need support
- Area events were added to both the Area Website and the Freestate region website.
- At the request of the Freestate Region, I have begun updating our area's meeting information on the Basic Meeting List Table (BMLT). I have gotten through all of the Sunday meetings so far. I will talk about this more in detail later on in my report
- ASC Minutes were posted to the site

As requested at last month's ASC meeting, I contacted Michael C., the Freestate Region's Website Coordination, to inquire about how we can ensure that Small Wonder Area Event flyers get posted to the Free State Region's website. Michael and I subsequently had a zoom meeting and he showed me how I can post our events to the Freestate Region's website myself. I was able to go onto their site and add our events and event flyers. Moving forward, I will be able to continue to post event information and flyers to the Freestate Region website. Please note that once I post an event, the Freestate Region needs to approve it so that it can be viewed on their website. All of our upcoming events are now displayed on the region's website except for the June 29 SWACNA speaker jam. I will follow-up with Michael C. to ask about why this event is not showing up and I will re-post it to their site if need be.

In addition to learning about how to post events directly to the Freestate site, Michael C. also taught me about how I can update the Basic Meeting List Table (BMLT). The BMLT is an exciting new tool that NA World started using within the last 2 years or so. Now that our area is able to directly edit the BMLT, both world and region will be notified of the updates we make instantaneously. As a result, we now do not need to rely on region to communicate with world when we need our meetings updated. Once I make a change on the BMLT, it will be reflected on our regional list within days and reflected on the World List and the NA App within one month.

I'm very excited to announce that we are the first area in our region to have log-in credentials to make changes on the BMLT. These new capabilities give us more control over our meeting information than we had before.

The Freestate Region requested that I go through the BMLT and ensure that all information is updated and accurate. I have begun doing so. The process is very tedious and at this time I've gotten through all the Sunday meetings and corrected errors as I've come across them. I will continue working through the meetings one by one until I've ensured that each meeting in our area is completely accurate. We do have the option of including a contact name and number for each group so that this information shows up on the NA app. If any groups want contact information added to their group's listing, please e-mail me and let me know. Currently, none of our meetings have contact information listed.

As a result of these new-found capabilities, I will be submitting two motions this month. The first is to expand the responsibilities of the meeting list/website chair to include posting events and flyers directly to the Free State Region site. The second is to update meetings directly on the BMLT as needed.

Next month I will come with flyers to distribute which will state that Meeting List/Website subcommittee needs support because I feel it is important that numerous people in our area learn how to fulfill the duties of this position effectively.

Everyone has continued doing a great job communicating with me about their Meeting List/Website needs. Please continue doing so, as it enables me to effectively execute my duties.

Sorry for the long report. I hope it was informative and that it wasn't super boring.

In loving service,

Cady T.
