Meeting List and Website - October 19, 2022

Due to the absence of a chair, this report is submitted by the Secretary.

We desperately need a chair for Meeting List and Website. The only two committee members both have personal commitments that mean that they can not continue.

If your home group has a change to their meeting of any kind - please submit the Home Group Change form on the website. Please be aware of timing. The Meeting Lists go to print BEFORE Area and last minute changes mean that a print job has to be stopped and resent in order to accommodate those requests. Meeting Lists are to help the newcomer, we all need to do our part to ensure the Meeting Lists are up to date while being aware of the timing of the printing.

Subcommittee Update/Problems: (Please be concise and legible)

As a committee we discussed learning days and workshops and their funding.

We also discussed possibly meeting during JAC in the other room up the hallway for a gsr workshop each month prior to area service. Similar to what used to be done before. We discussed our visiting of absent groups and also how to possibly help struggling groups.

It has been our experience that absent groups occasionally come to area again after our visit, but rarely continue attending.

We intend to concentrate more on struggling groups by attending them.

If ant groups would like us to attend and help in any way with suggestions on structure, policy, formats, Please contact myself, Catharine M, Chris A ,or Ethan

We would love to visit your group as often as you want us to. We are here to help._

Concerns -

1. Limited names & numbers in our area on the 12-step call list
2. Training for new volunteers and for 12-step call list volunteers
3. Low attendance at committee meeting
4. How to get other involved
5. Zoom confusion- login-who?

Need to make a flyer to let other know that we are in need of support.

With that being said, also want to see when U&A Committee is going to do a

Learning Day. Hope to be able to do trainings at that time to those whom want to be a part of Phoneline Committee.

Also talked about a policy for Phoneline Committee so that moving forward this would help incoming participants & service body.

NEW PROJECT -

SPIRITUAL PRINCIPLE OF THE MONTH -

One of our goals is to make NA members more aware of our role in NA's public image. The spiritual principles of our steps, traditions, and concepts guide us in pursuing our public relations aims and our efforts to enhance NA's public image and reputation. These principles apply to our community and service efforts as well as to the personal behavior and attitude of individual NA members.

To achieve our goal the PR subcommittee will focus on a spiritual principle each month.

Please join us to help create and improve relationships. We would like input on how your group's role demonstrate flexibility in the public image.

SPIRITUAL PRINCIPLE - FLEXIBILITY

We will have a different spiritual principle each month until December 2022. Remember these principles and the group's input how they have demonstrated these principles. This information will be collected by PR and will be used on Learning Day January 14, 2023.

POSTER DRIVE – to make the community aware that NA is an available resource for addicts. 1st stage of the poster drive. We are determining those neighborhoods that benefit from the poster.

Chair: John R. Phone#: 646-623-7064

Meeting Day: Wednesday 10/12/22 Time: 6pm

Location: ZOOM

Subcommittee Update/Problems: (Please be concise and legible)

The committee met and discussed the following about our Policy:

- 1) Removing the cover page revision date. The date does not reflect the current revisions. That page will have no revision date on it. Any new revision pages will have its own revised date on it to better tell you when the page was revised.
- 2) Page 11 Sec IV-3 1. There's a typo line 3 should read first part not first past.
- 3) I also discussed the purchase of paper in bulk that was approximately \$80. To avoid having to go back in forth to staples. If there is any paper left along with anything else that belongs to SWA I will return it upon leaving the commitment.
- 4) Why am I not allowed to update the Policy online directly?
- 5) Why are website and meeting list combined. What was the intent. No other subcommittee is combined. Subcommittees hardly have enough help, Most of them have at least one person and it would be easier to work on one when you're by yourself.
