Motions:

There are no formal motions to vote upon at this time. Information about motions that were brought is under "Open Forum."

OPEN FORUM

During Open Forum the Ad Hoc Committee made a motion to discontinue JAC and ASC as hybrid, with the intent to return these meetings back to being fully in person. It was determined by the chair that this motion was unnecessary as holding JAC and ASC hybrid was temporary and six months had elapsed since the motion to have it hybrid was passed. If JAC and ASC were to stay hybrid a subcommittee would need to be formed to do this, and funds would be needed to purchase the appropriate technology to do so.

A motion was made by Miracles Happen to have professional auditors complete an audit of the area finances. After discussion this was rescinded due to cost, amongst other things.

JAC and ASC will NOT be held in the month of April so that an Ad Hoc Committee consisting of the area executive officers can complete an audit of area finances for the last year. A vote was taken on this and 21 home groups were in favor of not having ASC in April so that the audit could take place, 1 home group was opposed, and 2 abstained. There will be no JAC and ASC meetings in April but they will return in May as usual.

CLOSING

The meeting was closed with a moment of silence, followed by the Serenity Prayer. Meeting concluded at 8:23pm.

IN LOVING SERVICE,
Rebecca S., Area Secretary

SUBCOMMITTEE / OFFICER REPORTS

Convention Body Report

March 2022
Convention Chair

For many years the small wonder area has enjoyed its convention.

SWACNA XIV was no exception. Even though we have challenges; we never lose sight of our goals. We saw the convention to completion. Do the right thing regardless of what people say or think. As a leader, “I” have not always been the appropriate recipe. We were feeling our way towards solutions. Building lasting relationships with the people we recover and do business with offers an excellent opportunity for diversifying our message.

Our public health still has some adjustment opportunities, but none too broken. When we involve our hearts, minds emotions, and finances in what we do, anything is possible. Multiplication of our member service efforts will help get the most out of a total number of people in service to our guests in a warm, welcoming atmosphere of recovery. The treasure will report in treasures report financial matters.

We want everything, but everything comes with a cost. Members wish to have this. It is how we always do it or been done. Who made that decision? and when? Why do we have that event over there? During unprecedented times, please stand up, stand down, or we must sit this one out, maybe what’s called for in our decision.

Overall, somehow, we made it through. Thank you, Small Wonder Area, for believing in and trusting me.

Thank Roxanne, Lee, Linda, Justine, Chuck, Nina, Eileen, Juan, James T, James R, Charmisssha, Deion, and a slew of other members who persevered and made SWACNA XIV happen

In Loving Service

Anthony R

**SWANA Area Service Committee
Sub-Committee Report - Convention Treasurer
SWACNA XIV**

Date: 16 March 2022

Our area's 14th convention, **SWACNA XIV**, is now concluded (held on the dates of **10-13 March 2022**) and was a financial success - through the hard work and dedication of our convention sub-committee members, and the participation of so many pre-registered and on-site registered attendees, we were able to not only fully pay for this convention's liabilities and contract costs, but we also sold out of the paid events on Friday, which has never before happened.

The contracts with Sodexo Operations, LLC (d/b/a the **Chase Center** on the Riverfront) and the **Westin Hotel** in total came to **\$33,075.71**. It is anticipated that the next convention, with current inflation rates, may cost the area **at least \$35.7K** due to rising costs for 2024.

The Small Wonder Area provided startup funds in the amount of **\$12,424.27** as we began our work. This convention had a financial goal to provide needed funds back to the area, and provide at least the starting funds left for this committee, for the next. We exceeded that goal by **12.8%** and raised an additional **\$1,589.92** over projections.

The convention storage unit is fully paid through the end of this month, **31 March 2022**. It is anticipated that the monthly cost for the next year (based on the **\$88/month** charged in October of last year) will be **\$1,056 per annum**.

Of note when choosing members to hold positions of financial trust during this and future conventions, I wanted to point out that over the course of the past four year period, starting **May 1st, 2018** through today, the convention brought in a total of **\$84,125.02** and spent **\$77,535.10** which represents a total of **\$161,660.12** of funds being touch by the hands of those on your committee. Strong financial controls were in place, but there is significant room for improvement and better record-keeping by the endpoints of the team. We were a very small committee so the work was often fast and furious, and we together were the major checks-and-balance for keeping funds safe - which we did with patience and

transparency.

Our SWACNA XIV convention committee has satisfied ALL of our liabilities, which include reimbursement to the area for **1/2 of the annual liability insurance** premium (Philadelphia Insurance Company policy PHPK2218188 through 22 Feb 2023) in the amount of **\$904.50**, and **transfer of funds** to support the area (**25%** of the post-convention balance) in the amount of **\$4,671.39** as required by the SWANA bylaws Article IX - Section B 4 (i).

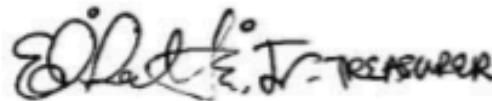

The following committees provided the funds to make this convention a reality through their hard work (net income over expenses):

Registration:	\$24,101.89
Fund Raising & Entertainment:	\$9,746.62
Programming:	\$4,019.01
Merchandise:	\$2151.77

Some fun with numbers and metrics:

The SWACNA XIV Committee was in place **1409 days**
This Committee held a total of **20 SpeakerJams** at **8 locations**
The Committee members spent an estimated **3,440 man hours**
The Convention Treasurer wrote **138 checks**, and made **81 deposits**

The Convention Treasurer has maintained and prepared sufficient records to provide for a thorough audit of records. I will be providing more details and metrics of each of our fundraisers and other details in those records for the benefit of analysis and assistance to the next convention.

In Loving Service, **Lee S.** - Treasurer SWACNA

Hello Family-

Sorry I cannot be there with you all this month, but I am traveling for work.

This month we are hosting a table at Hoopes for Help, at the Chase Fieldhouse, this Saturday, March 19, 10:00am to 6:00 pm. We have two members helping with this table. If you have time to come out and support this event, entry is free for spectators.

Public Relations has not used any of their budget this month.

I am looking for members to be of service, willing to go to libraries in our area. If anyone lives near a public library in our area, or frequents one, can you please reach out to me?

I have recently updated my phone number, so the current one is listed at the top of this report. If anyone has any questions, or needs PR, please reach out.

In Loving Service,

Unity and Activities Subcommittee Report

March 2022

Good evening!

Unity and Activities held their subcommittee meeting on Zoom March 7th at 7pm. No one showed up! We need support!

This last month Unity and Activities was able to reserve a pavilion at Banning Park on April 23rd, 2022. 200\$ was paid out of pocket, to assure that the dodgeball tournament will have a location to be held. A receipt is provided. I am asking for reimbursement from the area and asking for the remaining 200\$ balance of funds to get dodgeballs, refreshments, and snacks for the tournament.

Unity and Activities is helping host the Outreach Subcommittee Workshop event. This is being held on March 26th, 2022, from 3:30pm – 6:30pm at 6. N Clifton Ave in Elsmere.

If you are looking to have fun and get in service, Unity and Activities holds their subcommittee on Zoom the first Monday of the month at 7pm.

In loving service,

Blake D

Meeting List Website Subcommittee Report

March 2022

Paper meeting lists were printed for April 2022 prior to the March meeting of ASC at Academy Printing at a cost of \$97.40. We continue to update all platforms promptly as updates come in. We are looking for members who know ASL (American Sign Language) who are willing to interpret for hearing impaired members in live meetings. We ask because our subcommittee had an inquiry about this and our intention is to build more resources for our fellowship. The subcommittee is kindly asking that Home Groups please make changes prior to ASC through the Home Group Update form on the website. The reason for this is that when updates are made across the various platforms it is done on the computer, so it is much easier to look at the form versus trying to find the information in any other format. Changes to meetings that are reported at the ASC meeting are not able to be made across the platforms as quickly as they are when they are done through the form on the website. In the spirit of fulfilling our primary purpose this allows us to make sure meeting lists are accurate when given to home groups for distribution at their meetings. It would be appreciated if all other subcommittees could submit their flyers and information that needs to be posted or corrected by emailing smallwonderarea@gmail.com before the ASC meeting so that it can be posted in a more timely manner. The goal of the subcommittee continues to be providing the most up to date details on the various platforms where it is posted so that newcomers and more experienced members alike have the most current information.

In Loving Service,

Kitti S.

Policy Report

Chairperson: John R. 646-623-7064

We met at (1212 club) 2700 Washington Street, Wilmington DE, 19802 and Zoom. I had technical problems with zoom, and I apologize to those who tried to log on. The next policy meeting should work better. Other than that, there are no major problems. The following took place at the policy meeting.

1. We adjusted the policy according to the changes to the Literature Co-Chair position. There were 5 areas that will need to be change. The inserts will follow shortly.
2. We briefly discussed the responsibilities of the committee.
3. We also discussed how time is needed to update the policy and prepare the annual copy for the groups. Therefore, a motion will be requested to hold off on any new changes to the policy until the policy is updated. Since this is a motion and six months is the moratorium. I should be prepared before the six months is up.

Again, I apologize I was unable to prepare the new inserts for the co-literature position. And I will not be attending the SWA meeting in April. Therefore, the inserts won't be available until May. April is my birthday month, and I will be away.

In loving service,
John R.

*The floor was opened to questions after the report was given and it was asked what the requirements were to serve a commitment at the Howard R. Young Correctional Facility, and it was also asked if only men are able to serve as panel leaders or speakers because it is a male-only facility. Albert does not yet have this information because he has not been able to speak to person at the facility yet, but all of these questions will be answered once members of the subcommittee meet with the staff.

Literature Subcommittee Report

March 2022

*There was no formal report submitted as the Literature Chair was having computer issues.

\$835.25 was taken in at the February ASC meeting. \$903.02 was taken in at the March ASC meeting. Deposits were made. All of this information will be sent out as an addendum to the minutes and/or given at the next ASC meeting in May.

The cabinet purchase was postponed because the price of another increased drastically, so the money allocated had not been dispersed.

Secretary Report

February 2022

The minutes from February 2022 were posted on the website and sent to the home groups on Friday, February 25. All minutes are always available on the website for viewing and printing.

I have still been managing the SWANA Zoom accounts. If any home group or subcommittees that are using it have any questions please do not hesitate to reach out. When using one of the Area accounts please do not change the photo or name, as it will show up that way for whomever uses it next. I am still missing email addresses for multiple home groups. Some of the ones that I was given at the last ASC meeting do not work. If your home group has not received the minutes via email please send me an email at SWANASecretary2122@gmail.com so that I can update the contact information and send them to you. Flyers that were sent or given to me last month were attached in the minutes and have already been uploaded to the area website. The co-secretary Ethan spent \$61.20 to have copies made of the February ASC minutes.
