Co- chair report, September, 2022

Area co-chair attended:

---- Policy subcommittee on Wednesday, Sept. 14, at 6pm

---- Unity & Activities subcommittee on Tuesday, Sept. 20, at 7pm

I continue to be interested in learning about how we might increase the utilization and the usefulness of our website to Area groups, subcommittees, members and addicts seeking recovery. For example, we may find that the CALENDAR on the website could be of use in more easily coordinating upcoming events, such as Speaker Jams for Convention Subcommittee with dates for Unity & Activities events. It could become an easy way to refer individual members to dates and times for subcommittee meetings in need of those willing to serve.

Subcommittee Update/Problems: Good evening all. We meet at our regular time and place and discuss how to better serve the groups every month.

This month we visited several groups that have been missing from Area Service for 2 or more months. We participated in the meetings. We spoke to the attendees and any hg members present. We asked how things were going, if we could help in any way. Several of those we spoke to said they would be attending area this month, bringing money, etc.

We made it clear that we happily will accept the money but money is Not the main reason to attend Area. We let them know, you don't need to bring any money.

We just would love to have the participation and support from the groups that created us. We told them we need help finding out how to better serve the suffering addict and groups that are floundering. All of our subcommittees could use some active members and enthusiastic participation.

9/21/22

Chair: **John R.** _____ Phone#: **646-623-7064**

The meeting was short. There were 3 members including myself. Basically, we had a general conversation on the following.

1. There were several formatting areas addressed that were previously addressed. One was the overall formatting. (Parts, Articles, Section Numbering, Bullets etc.) In this area I found it to complicated to change. Maybe in the future the committee will be able to address the issue.
 2. So, the focus was updating the Policy with the Appendix Section. This has been done, with its own (TOC.) this will make it easier to change the policy page numbers if needed. The Appendix inserts and TOC will be handed out at AREA. All members are reminded to sign for your copy. I think we need to do the same thing to the motion section we can talk about that later.
 3. I am proud to say for now the Policy is complete. The next task is helping Home Groups update and understand their Policies. This will get done over the next couple of months by a following Workshop being planned with U&A. more information will follow
 4. Also, the the home group report revision insert will be provided. (At no cost.)
- And the insert form so groups can check what inserts they received. (At no cost.)

Expenses Accumulated with finishing the Policy is as following:

Appendix 5 pages 2 sided = $10 \times 30 = 300$
TOC 1 page 2 sided = $2 \times 30 = 60$
Policy Receipt Form 1 page 1 sided = $1 \times 30 = 30$

Total $390 \times 15 = \$58.50$ (Receipt for home printing)

Please explain why you are for or against the motion:

If more people will be present for the 12-hour period, more present and more attendance. I'd rather the time be better spent shortened, then spread out and less participation
