Subcommittee Update/Problems: (Please be concise and legible)

__My service activities this past month were limited, partly because all of the subcommittee chairs are filled; partly because I have been dealing with some minor health issues. I was privileged to contribute in a small way to the Sneaker Ball, as well as attempting to assist our Meeting List/Website Chair Shayla with a couple of issues.

One thing seems clear to me:

Both those who are responsible for the website and those who access/ use it could benefit from some technical assistance & education. Or it may be that I am speaking for myself. I am not even clear on how to easily use the form I am using to write this report. It is my hope that we will have some discussion re: how best to provide/ acquire such assistance.

Reaching Out

We just posted and mailed the January 2023 issue of *Reaching Out*, a quarterly publication that helps incarcerated addicts connect to the NA program of recovery, enhances H&I efforts, and offers experience from members who have successfully transitioned from “the inside” to be productive members of society. Issues are posted here: www.na.org/reachingout, and the most recent issue is also posted in a booklet format so that committees can print copies to take into institutions without staples.

World Services has sent copies to all area service committees for which we have a postal address. ASCs can continue receiving paper copies on a quarterly basis by subscribing. Each registered ASC that subscribes is entitled to 12 free copies. We also offer 20-copy bulk subscriptions at \$38.05, and free subscriptions for addicts who will be incarcerated for at least six months, through the order form within the magazine. For more information about *Reaching Out*, email pr@na.org.

Sign up for any free NAWS email subscription to receive NAWS Update emails: subscribe@na.org.

WSO open on a limited basis

Beginning next week, our Chatsworth office will be open Thursdays 10–2 for office tours or to pick up literature. To minimize the number of people in the building at one time, we are offering a self-scheduling calendar. Because our staff numbers are still greatly diminished, this will ensure that we can meet members’ needs when they are here. If there is a local convention or special event scheduled, we may add additional time slots on those weeks if needed.

We are asking members who intend to order literature while they are in the office to please download and fill out an order form in advance if possible:

<https://www.na.org/admin/include/spaw2/uploads/pdf/catalogs/2023%20NAWS%20Order%20Form.pdf>

You’ll find additional information and a link to the scheduling calendar on the Visit NAWS page listed on the For Our Members dropdown menu:

<https://www.na.org/?ID=visit-naws>.

Subcommittee Update/Problems: (Please be concise and legible)

There have been some technical difficulties within the past 2 weeks regarding the previous ASC Minutes, going back to 2020. This will be adjusted before next area service. As Chair of this Sub-Committee, I sincerely apologize. Also it has been brought to my attention that removing one of the ways to update a Home Group on the ~~web~~ web-site, might not be a good solution. So moving forward we will be leaving both options available.
