Meeting List/Website Report

April 2019

Our meeting list was updated in the following ways:

- 1,000 meeting lists were ordered and picked up from academy printing. The cost was \$97.40 and this was paid for by the area

Our website was updated in the following ways:

- Links for printable flyers were added to area events
- Events were added to the Google Calendar
- The Addicted to Hope Group was listed on our website's meeting list as meeting on both Monday and Friday. This was in error as this group only meets on Mondays. This error has been corrected
- The GIRLS group was added to meetings that need support

• *ASC Minutes were posted to the site*
Maintaining our area's website, meeting list, and g-mail account continues to go well.

Subcommittee chairs and homegroup members have been great about communicating with me about items they need posted to or removed from our website and meeting list. As always, I hope everyone in our area feels free to reach out to me if you need something pertaining to our meeting list or website. My contact information is below.
