

GPRNA Meeting & Events Search

<https://naworks.org/chat>

Core functionality

- Chat widget answering questions about NA meetings, events, service committee schedules, and regional statistics
- Multi-turn conversation with context retention
- Scoped to Greater Philadelphia Region (recursive through all sub-areas), with explicit handling for multi-area counties (Bucks, Montgomery, Delaware) and known cross-boundary exceptions (Steel River Area's Berks County meeting)

Meeting search & formatting

- Consistent per-meeting format: Name/Time, Day, Location, Formats, Notes, Type
- Clickable Google Maps links, auto-linked URLs/phone numbers/emails anywhere in a response
- Default sort: grouped by day starting from today, distance-sorted within each day
- Completeness safeguard against silently dropped meetings in long lists

Instant answers (no AI call, zero cost, zero latency)

- **Crisis/relapse hotline** — highest priority in the entire plugin; broad keyword list catches expressions of distress, relapse risk, or wanting to talk to another addict, with the exact hotline number delivered immediately, no AI involved
- **Gratitude** — "thank you" and variants get an instant reply
- **Meeting counts** — whole-region or single-area, optionally by venue type (virtual/in-person/hybrid), answered from the region's own pre-aggregated count page rather than searching
- **Printed Tri-Fold meeting list requests** → meetinglists.gprna.org
- **Proof Reports / meeting changes / Virtual Meeting screenshare requests** → docs.gprna.org
- **Technical problem reports** → webmaster@naworks.org with a structured "what to include" checklist

AI-powered fast paths (skip MCP, use direct pre-fetched data)

- **Format popularity** — PHP-computed tally, Claude just narrates it
- **Other statistics** (county comparisons, etc.) — compact pre-trimmed dataset fetched directly from your BMLT server
- **Area Service Committee schedules** — scraped directly from each area's own naworks.org page (16 areas, with name-variant matching like "Pure & Simple" / "Pure and Simple," and a "which ASC?" clarification flow that correctly continues across a follow-up message)
- **Calendar/events** — direct Google Calendar fetch, including "GPRSC MEETING" recognition for the regional service meeting
- **Broader safety net** — a system-prompt instruction covers genuinely off-topic or struggling-loved-one questions that don't match any keyword list, tested successfully tonight on real, unscripted questions

Speed & cost

- Prompt caching across tool definitions, system prompt, and growing conversation
- Running on Claude Sonnet 5

Security & abuse prevention

- WordPress nonce (fetched live via REST, immune to page caching) + per-IP rate limiting
- Cloudflare Turnstile human verification — now solved once per conversation rather than re-checked every message (with a known, low-severity limitation in strict-privacy browser modes like Brave Private)
- All API keys stored server-side only

Admin & UX

- Settings page for all API keys/IDs with setup reminders for anything unconfigured
- Debug logging for every fast path, Turnstile events, API errors, and cache performance
- Responsive widget, styled input/button
- Version tracking in the plugin header

EXAMPLES:

Meeting Searches:

- *Find me an open NA meeting tomorrow night within 5 miles of <Insert your address, city>.*
 - *If you want to use a phrase like "... near me", your browser must allow location services to be turned on. You do not **need** to turn on location services if you do not want to turn them on. You will then need to provide an address, city or zip code so the system has a point of reference for your inquiry.*
- Are there any Spanish-language meetings today in the Philadelphia Area?
- When are the bilingual meetings in the Philadelphia region?
- List all the virtual meetings this weekend.
- Is there a meeting within walking distance of <add location>?
- List the meetings near <insert your zip code> on Tuesday.
- Are there any meetings that are wheelchair accessible in Bucks County tomorrow?

Statistical Searches:

- How many meetings are in the Greater Philadelphia Region?
- How many speaker meetings are there on Monday near <add location>?
- How many meetings are in Bucks County on Monday?
 - *(NOTE: This will give a count of meetings in Bucks County, PA)*
- How many meetings are in Bucks County Area on Monday?
 - *(NOTE: This will give the count of meetings that are part of the Bucks County Area Service Committee of NA)*
- How many virtual meetings in the region?

Event Searches:

- When is the next Regional Service Meeting?
- Are there any events this weekend in Bucks County?
- When is the next event in the Inner City Area?
- When does the Unity Subcommittee meet next?
- What is the Google Meet code for the next Unity Subcommittee meeting?

Area Service Committee & Subcommittees:

- When does the Downtown Area Service Committee meet?
- When do the Bucks County ASC Subcommittees meet?
- Where do the Philadelphia Area ASC meet?

☀️ CELEBRATE OUR STORY! ☀️

GPRNA HISTORY WORK GROUP

👏 KICK OFF MEETING 👏

EVERYONE IS WELCOME!

Oldtimers • Newcomers • History Buffs

✦ Be Part of Something Historic ✦

The Greater Philadelphia Region of Narcotics Anonymous—through the conscience of its Areas—is creating a **History Project Work Group** to gather and organize our archives and transform them into the story of our Region for our current members, for our future members, and for our fellow members everywhere.

📢 We want and need your ideas and participation!

Let's gather our story and share it with the world! 🌐
