Subcommittee Update/Problems:

No one attended this month's meeting. Not really much to report this month, since no one came to the meeting. Our bonanza was planned out last month, so we are full steam ahead! Just a reminder the workshop is next month (3/18/26), during JAC, up the hall from where ASC is conducted.

Also, Outreach verified with the Meditation and Steps group they are no longer meeting, after seeing a post on Facebook. I spoke with both home group members. This information was relayed to Linda Z, Meeting List and Website chair.

 Subcommittee Update/Problems: (Please be concise and legible)
 Subcommittee discussed the following:
 Using Robert's Rule of Order (RRO) in ASCM?
 Is the area using Robert's Rule of Order or consensus?
 SWANA ASC is supposed to be using Robert's Rule of Order but it is not currently in policy.
 Reviewed Guide to Local Services, which does include Robert's Rule of Order.

The Convention body no longer shares storage with SWANA, which requires SWANA to pay for storage that could be used for all of the SWANA archives.
 Where are archives kept? A large portion of SWANA archives was previously lost. We talked about having a place to store our archives.
 Policy Chair will discuss at next ASCM
 Please join us either by attending our next meeting or letting us know how you would like to be a part of the process.
 Next Meeting via Zoom 1st Sunday 3/1/2026.

SUPPORT FOR PENNSYLVANIA COS CONVENTION The Circle of Sisters (COS) Women's Convention of Narcotics Anonymous was created by and for the women of Narcotics Anonymous who had a vision of an annual convention for the women of our fellowship which originated in Portland, Oregon. COS has been questioned about the validity as a NA functioning event, however COS has been established as a part of NA.

The first convention held in February 1998 was named the Pacific Northwest Women's convention. Due to the growth and interest of women around the world the name was changed to COS. The COS Advisory Committee was established at COS III to provide continuity as Circle of Sisters grew and traveled further. At a COS Convention no addict will be turned away from any NA meeting in accordance with our Third Tradition. However, convention activities are restricted to women only.

The COS conventions have generated some of the highest grossing financial contributions in Narcotics anonymous. COS conventions generate generally over 100 thousand dollars and the area, region, world, or service structure that sponsors them are given a substantial financial donation. A sponsor is generally a cosigner in case something happens or falls through but in the history of the COS there has never been a problem. The advisory committee has put together a structured guide to ensure that we are able to pull this off without incident or the need for help, however the guideline does call for us to be supported by a region, area, or service center body of NA. This is the 2023 financials and COS was one of the top contributors. Being able to give over 29,000\$ dollars after clearing all expenses and other donations. The area in Philadelphia that supports this conventional would greatly benefit financially. Today we are asking for this area, region, or service center to be our support and backing, so that we can go for the bid to bring COS to PA! COS will be in our goal is to bring sisterly love to the city of brotherly love in 2028, other cities can do it why can't we? 2028 will be the 30th Anniversary for the COS CONVENTION Next year it's in NC 2026 Las Vegas for 2027 PHILADELPHIA 2028!

OUR WHY OR INTENT

Philadelphia would be an ideal host city for the Circle of Sisters Convention. Recovery in Philadelphia is strong and thriving, with in-person meetings held every day at various times throughout all parts of our beautiful city. Known as the "City of Brotherly Love," Philadelphia offers a powerful opportunity to also highlight and celebrate sisterly love through hosting the Circle of Sisters Convention. The women in recovery here are ready and willing to come together to host COS. This opportunity would allow us to broaden our base, strengthen our unity, and actively participate in our own recovery. We would be honored to welcome women from all over to love, support, and share recovery within our recovery-based sisterhood.

Please allow the women of Philadelphia to exercise our First Tradition: "Our common welfare should come first; personal recovery depends on NA unity." The First Tradition speaks to unity and our common welfare. One of the most important aspects of our new way of life is being part of a group of addicts seeking recovery together. Hosting the Circle of Sisters Convention in Philadelphia would not only showcase the strength of recovery in our area, but also create a space where unity, love, and service can flourish.
