Treasurer's Report: May 2019

Submitted June 23, 2019

Today's home group donations balance starts with \$4.01, which is the amount our deposit was short last month. I haven't been able to identify any math errors in the amount collected or debited in May, so to balance the books, I've put that money in myself as I'm ultimately responsible for any errors.

Last month, I paid our annual storage fee with Storage Rentals of America for \$1,079. We are currently paid through May 31, 2020. While the Area shares the storage space with Convention Body, I wasn't able to find anything in our policy specifying whether or not the cost of the storage space is shared. If it has historically been split, a motion should be made to indicate this in both the ASC Treasurer and Convention Treasurer sections of the policy.

In loving service,

Lisa B

POLICY COMMITTEE

ASC Report

June, 2019.

Good afternoon family. I had to purchase more binders and dividers because one of the home groups that had been missing area service now has a GSR. I will be asking for a reimbursement of \$38.93 and the treasurer has the receipts. The binders come in a box of 12 and the dividers come in sets of 6, so I made 6 more policy binders up. They will be available to any new groups in the future. After elections today I ask that all out going subcommittee chairs or officers please hand your policy binders over to your successors. If your position hasn't been filled yet, but you're term is up and you're not returning in July, please hand your policy binder over to me. If you're an outgoing GSR please make sure that your group's binder stays in your lock box and that you inform the incoming GSR as to how to keep it updated. Thank you for your cooperation.

In loving service, Everett B.

Greetings,

Nominations will be open for Regional Phone Line Chair (clarification of clean time to be made at next meeting in July which is a conference call meeting. Reported clean time for both is 5 years and the chair is in charge of the system (policy in the Regional Policy). Susan F. wishes to remain Vice Chair, and she will fill in to host subcommittee meetings prior to Regionals when no chair is available or in attendance.

Open Shifts are available more info will need to be made as to how many people may be on one shift since some phonline chairs were led to believe you could have four people or as many people as you want or volunteer on one shift.

There will be a Phone Line Subcommittee conference call July 10th at 10:00 a.m. for all phonline chairs to log in. These concerns will be discussed.

I was contacted by two members interested in serving on the committee. Have updated volunteers and 12 step call list for training day t/b announced next month. Also, I have received policies guidelines updated training and volunteer information packet for training day.

Thanks for allowing me to serve,
Phone Line Subcommittee Chair

Convention Report

As the convention fast approaches, I want to take this time to thank you for all your support. Your sustenance, funding, and backing has put us in a modest position for a wonderful 2020 Treasures of Life convention. The members who have attended our events have expressed they enjoyed the occasion. Our events are filled with diversity insight and information. Our convention body works hard to put on events that will articulate Small Wonders recovery. We can only hope you will continue to be excited and supportive. We have our upcoming speaker **Jam June 29th, 2020 at St James Church 2 Augustine St Newport DE.**

Registration has been doing a great job with 272 registrations. I know we can hit the 300-registration mark before we leave Area Service today. The price in registration will be increasing as the convention nears so make sure you get yours now. **Fundraising and Entertainment** are putting on a comedy show that will be held at Jewish Community Center soon. **Programming** has tickets for our upcoming "The **Mask Must Go**" speaker jam and dance fundraising activity to be held at People Settlement in July. Get your dance tickets today \$7 and \$10 day of event. **Operations** have increased its team by three members. **Merchandising** has t-shirts on sale for our "Mask Must Go" event as well as our unique pre-convention t-shirts. **Hotel and Hospitality** are eagerly planning the menu and reviewing the convention setup and layout. **Convention Information** has been closely monitoring the tri-state area events and activities to avoid overlapping events. We are being challenged by our **Arts and Graphics committee.** We are looking for theme ideas. Your artistic creativity is also welcomed.

Your support has not gone unnoticed. We thank you for your continued care in seeing that we have a successful convention. Please come out on June 29th for another fun-filled event.

In Loving Service

On Month

Multi Regional PR day on June 8th was a success. The word of support is getting out. There were some people from SWANA in attendance. I'm feeling better about the service attitude in our area.

Also, the zoom mtg in may was vey informative. There were about 20 in attendance.

I pray our convention will be as successful as the Phila. Area convention.

Our Zonal Forum is coming up in July. Greater Phila will be hosting the next ZONAL WEEKEND in July 27th and 28th, 2019 At CIRCLE OF HOPE (2ND FL) 1125 S BROAD ST, PHILA, PA 19147. Again, I ask everyone to come out and gain more knowledge and information concerning the changes that are coming in our fellowship.

There is a new book coming out. The world service conference approved a project plan for a book that explores a spiritual principle on each day of the year. The Small Wonder Area was given questions 46 – 48 for our insight on those spiritual principles. The Survey goes to World www.na.org/spad. Attached to my report is our RDA's report (Regional Delegate). That gives us more information on the development of the book.

It was suggested the RCM's take this information back to our area's to decide on what topics would be good for the implementation of the book. I would suggest to form an adhoc committee to look into the development of the book.

Also attached are flyers for the regions upcoming convention in November of 2019.

Also attached is our RD's report for the positions of Facilitator and Secretary. We have interviewed two persons for both positions.

Positions are open for several positions at region. If anyone would like to get involved please see me or come to regional meeting.

RCM'S developed a adhoc to look into the cheapest of getting a zoom account for every area and sub committee to use. Some of the trusted servants can't make the mtg's. The importance of this is to allow anyone who desires to be in service at any level to be able to participate. There are several motions that was tabled until august. I will keep you informed of these motions.

There was one sub committee chair at region, Phonline. Cady continue to communicate with Michael (IT tech) to continue to upgrade our meeting list. In Loving Service, Les M RCM.
